## *Registered Nuclear Medicine Technologist- FULL TIME*

---

**HHS Requisition #:** [108209](#)

**Position:** Registered Nuclear Medicine Technologist

**Department:** Nuclear Medicine – Juravinski Hospital

**Rate:** \$33.75 – \$45.26 per hour

**Job Code:** TL0039

**Union:** OPSEU Local 273

**Schedule Work Hours:** Monday to Friday - Days

### **Unit Summary**

Step into a job that opens countless doors. As Ontario's most comprehensive healthcare system, and the only one in the province to provide care from pre-birth to end of life, we offer endless opportunities. You can explore advancement opportunities, take professional development courses, and stretch yourself as a leader, all at HHS.

We are the largest employer in the greater Hamilton region, and play a vital role in training the next generation of health professionals in collaboration with our academic partners, including McMaster University and Mohawk College. We are a world-renowned hospital for healthcare research, ranked fourth in Canada and we focus on improving the quality of care for our patients through innovation and evidence-based practices. Our multi-site hospital has over 1,100 beds and we offer world-leading expertise in many areas, including cardiac and stroke care, cancer care, palliative care and pediatrics. Open the door to a career that evolves with you.

The four site Nuclear Medicine Department supports a diverse patient population providing service to all clinical programs with an emphasis on Cardiac, Oncology, Neuro and Vascular.

### **Position Summary**

Working closely with other members of the department, the Nuclear Medicine Technologist performs clinical imaging procedures while maintaining an environment which is patient-focused. Other responsibilities include: ensuring all procedures are performed according to established protocols and standards of practice and in a safe and compliant manner according to CNSC regulations; participating in various training programs and research studies; and contributing to an environment which supports clinical excellence and continuous learning.

## Qualifications

- Graduate of an approved training program in Nuclear Medicine Technology
- Current registration with the College of Medical Radiation Technologist of Ontario
- Basic Life Support Certificate (must be current or acquired within 3 months)
- Ability and willingness to work with and teach students
- Demonstrated ability to work responsibly in a team environment
- Demonstrated effective communication, organization and interpersonal skills
- Effective problem solving skills, critical thinking and the ability to prioritize in a fast paced clinical environment
- Evidence of participation in on going education & professional development
- Membership in the CAMRT/OAMRT preferred

*As a condition of employment, you are required to submit proof of full COVID-19 vaccination to Employee Health Services.*

## EEO Statement

Hamilton Health Sciences fosters a culture of patient and staff safety, whereby all employees are guided by our Mission, Vision, Values, and Values Based Code of Conduct. Hamilton Health Sciences is a teaching hospital and all staff and physicians are expected to support students and other learners.

To be considered for this opportunity applicants must apply during the posting period. All internal and external applicants may **ONLY** apply via the Careers website.

Hamilton Health Sciences is an equal opportunity employer and we will accommodate any needs under the Canadian Charter of Rights and Freedom, Accessibility for Ontarians with Disabilities Act and the Ontario Human Rights Code. Hiring processes will be modified to remove barriers to accommodate those with disabilities, if requested. Should any applicant require accommodation through the application processes, please contact HR Operations at 905-521-2100, Ext. 46947 for assistance. If the applicant requires a specific accommodation because of a disability during an interview, the applicant will need to advise the hiring manager when scheduling the interview and the appropriate accommodations can be made.

This competition is open to all qualified applicants, however, qualified internal applicants will be considered first. Past performance will be considered as part of the selection process. If you are a previous employee of Hamilton Health Sciences, please note: the circumstances around an employee's exit will be considered prior to an offer of employment

Proficiency in both Official Languages, French and English, is considered an asset
